

Greetings Villanova University Parents Class of 2021

Graduation Announcements Updates
January 25th, 2021

We know you have questions about Graduation announcements, banners, and personalized gift items. We have received many inquiries and we are as excited as you are to help plan your celebration. As of today, it is really too soon even under normal circumstances, to have the details in place which will be needed to format the invites on our website.

Once the process including setting dates, times, and locations are all finalized, we are then given the information to update our website “iPRINT.villanova.edu”.

We have been busy developing our site to make ordering easier and adding new items daily. Please feel free to take a look. We will update when all items are ready to order.

“V”s up! All the best from your friends at the Bartley Print Center.

Please reach out with any questions.
